Corporate One Announces New Board Member Janice Hollar

COLUMBUS, Ohio – A new member has been appointed to Corporate One Federal Credit Union’s board of directors, which fills an open position that commenced on February 1, 2021. Janice Hollar, Chief Financial Officer at Achieva Credit Union in Dunedin, Florida, fills the open position due to the resignation of board member Robert Fertitta, which was effective January 31. Corporate One would like to both welcome Hollar and express appreciation to Fertitta after serving on Corporate One’s board of directors since 2012. Hollar was previously appointed to Corporate One’s Enterprise Risk Management Committee in June 2019 and served until her move to the board of directors.

Hollar has served as Senior Vice President and Chief Financial Officer at Achieva Credit Union since 2017 and applies a strong financial services industry background gained from senior-level roles at a number of credit unions. Her previous experience includes CEO, CFO and SVP positions overseeing finance, business development and growth strategies at financial organizations such as Kennedy Space Center Federal Credit Union, Carter Federal Credit Union and the Credit Union of Texas, as well as credit union and bank consulting at RP Financial, LC. Hollar also owned her own management consulting business, Janice Hollar & Associates. A graduate of University of Central Oklahoma, she also holds a Master of Business Administration degree from the University of Texas at Dallas. Hollar has held the designation of Certified Chief Executive since 2005.

As a member of Corporate One’s board of directors, Hollar will help provide strategic vision and leadership direction to ensure the organization provides value to its members. It is composed of nine directors, each one elected by member credit unions or by general consent to a three-year term. Hollar fills this position with a term expiring at Corporate One’s Annual Meeting in April 2021 and will be up for re-election at that time.
